Michael Buble – Everything lyrics

You're a falling star, you're the get-away car.
You're the line in the sand when I go too far.
You're the swimming pool, on an August day.
And you're the perfect thing to say.
And you play it coy, but it's kinda cute.
When you smile at me you know exactly what
you do.
Baby don't pretend, that you don't know it's true.
Cause you can see it when I look at you.

Chorus

*And in this crazy life, and through these crazy
times.*

*It's you, it's you, you make me sing.
You're every line, you're every word, you're
everything.*

You're a carousel, you're a wishing well,
And you light me up, when you ring my bell.
You're a mystery, you're from outer space.
You're every minute of my every day.

And I can't believe, that I'm your man,
And I get to kiss you baby just because I can.
Whatever comes our way, we'll see it through,
And you know that's what our love can do.

Chorus (x2)

You're every song, and I sing along.
Cause you're my everything.
